

Literacy Professional Development in Your School

Describe the literacy professional development (PD) that has been offered at your school during the past 5 years:

Who participated in this PD?

Are teachers still applying what they learned in this PD?

Does your school have a system in place to make decisions about what literacy PD is needed?

Does your school have a system in place to be sure new hires receive the same PD?

Do you think your school is providing sufficient literacy PD to content teachers?

Do you think your school is providing sufficient literacy PD to intervention teachers?
