1. Learn letter sounds

Once you have met the friendly Letterland characters, just start to say their names for the correct letter sound.

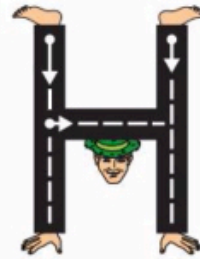

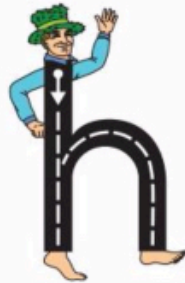

Hold your hand in front of your mouth and breathe out 'h'.

4. Advanced spelling

Phonics stories give students a friendly logic for remembering all 44 letter sounds and their major spellings.

5. Syllabification

Letterland introduces special techniques such as Quick Coding to help students understand how sounds and syllables work in words as well as think about how to read and spell new words.
