# Keys to Early Writing Certified Facilitator Training

**Live Virtual Professional Development**

## Learn to be a facilitator for the hybrid online facilitated course!

Is your school or district interested in using in-house staff to offer facilitated online professional development for *Keys to Early Writing*? If the answer is yes, this Certified Facilitator training is for you! Our Certified Facilitator model supports your district or sponsoring agency in building a scalable and sustainable model for expanding literacy professional development for your educators.

---

**What is *Keys to Early Writing*?** It is a professional development course for research-based best practices for K-2 writing instruction that is aligned with state literacy standards. Educators learn practical strategies for teaching beginning writing skills, how to use writing to support learning throughout the instructional day, and how to provide scaffolds to students who need support. See the course outline on the next page for content details.

**What is the Hybrid-Online Model?** Educators complete approximately 12 hours of online course modules and participate in 3 hours of facilitated debrief sessions. The online modules are asynchronous – users log in at any time. The debrief sessions are interspersed following a flexible schedule.

**What does a facilitator do?** Once you successfully complete this Certified Facilitator training, you will be certified to facilitate the debrief sessions with educators who take the *Keys to Early Writing* online course. The sessions provide an opportunity for educators to collaborate as you debrief activities completed during the online course, share ideas for connecting to the classroom, and answer questions about course content. You will learn how to facilitate these meetings in a face-to-face format or using Zoom virtual meetings. You will also learn strategies to support teachers with the implementation of these instructional practices.

**What is the cost?** The cost to attend the **Certified Facilitator training is \$750** which includes 2 days of training, online course registration and training manual, and a Facilitator's Kit with the materials and files you will need to facilitate the debrief meetings. Please note that the registration cost for educators you train who take the online course is \$200 per person (includes a copy of the training manual).

**Who Should Participate:** Any literacy coach, administrator, or classroom teacher who has experience delivering literacy professional development is a good candidate. This training is perfect if you have skills and interest in facilitating professional sharing meetings!

**Certified Facilitator Requirements:** To successfully complete this training and become a certified facilitator, you must do the following:

- Complete the approx. 12-hour online course **prior** to attending the 2 days of training
- Complete the 2-day Certified Facilitator training
- Submit an individual license agreement and identify your sponsoring educational organization (EO)
