

The Key Comprehension Routine Certified Facilitator

Live Virtual Professional Development

Learn to be a facilitator for the hybrid-online facilitated course!

Is your school or district interested in using in-house staff to offer facilitated online professional development for *The Key Comprehension Routine*? If the answer is yes, this Certified Facilitator model is for you!

What is *The Key Comprehension Routine*? It is a professional development course that presents instructional suggestions for comprehension strategies in any subject area. Teachers learn how to teach strategies using existing content and reading materials. See the course outline on the next page for content details.

What is the Hybrid-Online Model? Educators complete approximately 16 hours of online course modules and participate in 5 hours of facilitated debrief sessions. The online modules are asynchronous – users log in at any time. The debrief sessions are interspersed following a flexible schedule.

What does a facilitator do? Once you successfully complete this Certified Facilitator training, you will be certified to facilitate the debrief sessions with educators who take *The Key Comprehension Routine* online course. The sessions provide an opportunity for educators to collaborate as you debrief activities completed during the online course, share ideas for connecting to the classroom, and answer questions about course content. You will learn how to facilitate these meetings in a face-to-face format or using Zoom virtual meetings. You will also learn coaching strategies to support teachers with implementation of the instructional practices.

What is the cost? The cost to attend the **Certified Facilitator training is \$775** which includes 2 days of training, online course registration and training manual, and a Facilitator's Kit with the materials and files you will need to facilitate the debrief meetings. Please note that the registration cost for educators you train who take the online course is \$210 per person (includes a copy of the training manual).

Who Should Participate: Any literacy coach, administrator, or classroom teacher who has experience delivering literacy professional development is a good candidate. This training is perfect if you have skills and interest in facilitating professional sharing meetings!
